Memo to Coal File:

Re: Union Carbide Bonds

Union Carbide has submitted bond estimates for five operations. They are:

<u>NAME</u>	<u>ACRES</u>	<u>AMOUNT</u>
Redd Block IV	4	\$ 5089.00
Deremo-Snyder	7	\$ 31,720.00
LaSal-Snowball	56	177,800.00
Wilson-Snowball	32	135,400.00
Hecla	35	117,800.00
1984 estimate for 134 acres.		<u>\$467,809.00</u>
1985		514,589.00
1986		566,049.00
1987		622,654.00
(includes 10% contingency)		

Union Carbide needs to post a surety in the amount of \$622,654.00 or post \$467,809 and update annually.

I am not sure when these are being considered for approval by the Board, nor am I sure about the form of surety.
